LB 630

may. LB 630 is advanced to E & R for engrossing.

CLERK: Senator Hartnett would move to return LB 630 to Select File for a specific amendment. (AM4433 appears on page 1815 of the Legislative Journal.)

PRESIDENT ROBAK: Senator Hartnett.

SENATOR HARTNETT: Madam Chairman and members of the body, this is...the bill deals with the annexing procedures of cities. What it does, in Section 6, it changes the operative date of the section to November 10th after the election of this time because to avoid any problems with municipal annexation currently in planning in the works. So it deals with elections of newly annexed people so if we could take it after the...this general election this time. And the other change is on page 6, shifts from...the same words from one position of paragraph to another. If there is no question, I would simply ask that it be returned. It's on page...Journal page 1815. So I would simply ask that it be returned to Select File for this amendment.

PRESIDENT ROBAK: Thank you, Senator Hartnett. Is there any further discussion of the Hartnett motion to return to Select File? Seeing none, the issue before the body is the motion to return LB 630 to Select File. All those in favor vote aye. All those opposed vote nay. Please record.
